magnetic chromatography assays )

**NOTICE OF INCORRECT MAILING**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir/Madam:

We have recently become aware of a Restriction Requirement in connection with the above-identified patent application that had been mailed to an incorrect party. The correct party and address previously used by the Patent and Trademark Office to communicate with Applicant, as shown on the Filing Receipt and the Notice of Publication of Application, is still correct. Please send the Restriction Requirement and all further communications to the correct address as shown below.

Respectfully submitted,

Dated: 1/7/05
